

THE CURRICULUM

Our school offers the CBSE curriculum. The Central Board of Secondary Education (CBSE), New Delhi functions under the Ministry of Human Resources Development, Government of India. CBSE is recognised as the most popular and practical educational system in India. The fact that the CBSE curriculum dovetails perfectly to professional courses, contributes greatly to its popularity.

The CBSE curriculum provides students with opportunities to gain access to reputed colleges and universities worldwide, being internationally recognised. The prime focus of the board is innovations in teaching – learning methodologies by devising student – friendly and student – centred paradigms, introducing reforms in exams and evaluation processes, thereby making learning a joyful experience.
